## Odyssey Life Institute: A Faith Voyage from Membership to Discipleship

Odyssey Life Institute: A Faith Voyage from Membership to Discipleship, or simply OLI seeks to help you live, love, and lead like Jesus. With weekly studies on Christian discipleship, it's intended for anyone, at any level of spiritual maturity, who desires a deeper relationship with God and others.

In addition to attending Wednesday night sessions, participants will be asked to journal their growth, to apply spiritual principles to everyday situations, and be challenged to go deeper in God.

Over the next several weeks we'll learn together what following Christ means for how we treat each other, spend our money, think about justice, engage the Holy Spirit, and many other topics sure to help us all in this fantastic voyage of faith!
